OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 19 August 1970

25X1 1. [redacted] Advised Bill Woodruff, Counsel, Senate Appropriations Committee, that the Director would be glad to brief the 25X1A CIA Appropriations Subcommittee on [redacted] He said he would leave the matter of inviting the Armed Services Subcommittee up to Woodruff. We will work out a suitable date for this, probably next week. I also told Woodruff there was no objection to his briefing Senators Ellender and Milton Young on the Agency project in the Middle East making clear the sensitivity of the matter. 25X1

25X1 3. [redacted] In connection with the case of [redacted] 25X1A [redacted] I advised Miss Alma Moore, in the office of Representative F. Edward Hebert (D., La.), that Mr. [redacted] had taken out low option 25X1A hospitalization insurance with the Agency when he entered on duty but had not converted it to family plan insurance when he was married on 18 July 1970.

25X1 4. [redacted] relayed a request from Gwen 25X1 Lewis, in the office of Senator Len B. Jordan (R., Idaho). Fortunately, 25X1A within a few minutes, I was able to get the information and passed it back to Mrs. Lewis. We confirmed that [redacted] was an Agency employee 25X1 [redacted] a GS-15, Step 5, with a salary in September 1966 of $19,978. I also advised that the salary today, including two ingrade increases which 25X1A [redacted] would have been entitled to, would have brought the salary 25X1A currently to $27,463. I also furnished [redacted] name and extension as the one in the Personnel Office whom former Governor Smiley, who is acting as attorney in the matter, could telephone to verify this information.

I also informed Braswell of Chairman Rivers' position with respect to our legislative package on retirement. I discussed with Braswell the advisability of a single bill which would cover only our retirement ceiling. He saw no advantage to our abandoning our other legislative proposals unless we were in an absolute crisis on the ceiling, which is not the case at the time. It was agreed that we would discuss this further when the press of military procurement legislation is out of the way.
